Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. An investigation of Davis Lane was conducted by the Traffic Engineering Division of the Austin Transportation Department in accordance with the procedures specified in the Texas Procedures for Establishing Speed Zones, 2006. The Austin Transportation Department recommends adding the following amendment to City Code Section 12-4-64 (D) Table of Speed Limits:

Delete: Davis Lane from Brodie Lane to Guidepost Trail. (25 MPH).

Add: Davis Lane from West Gate Boulevard to Guidepost Trail. (25 MPH).
